

VISANT CORPORATION ANNOUNCES 2008 THIRD QUARTER RESULTS

ARMONK, NY, November 5, 2008 — VISANT CORPORATION today announced its results for the third quarter ended September 27, 2008, including consolidated net sales of \$256.7 million, an increase of 8% over third quarter 2007 consolidated net sales of \$238.4 million. In addition, the company reported a consolidated net loss for the third quarter of 2008 of \$1.9 million, compared to a consolidated net loss of \$2.8 million for the third quarter ended September 29, 2007. Visant also reported consolidated earnings before net interest expense, provision for income taxes and depreciation and amortization expense (EBITDA) of \$38.8 million for the third quarter of 2008, an increase of 4%, compared to EBITDA of \$37.3 million for the third quarter of 2007. Visant's consolidated Adjusted EBITDA (defined in the accompanying summary of financial data) was \$48.0 million for the third quarter of 2008, an increase of 25%, compared to Adjusted EBITDA of \$38.5 million for the third quarter of 2007.

For the nine months ended September 27, 2008, consolidated net sales were \$1,071.4 million, compared to \$995.7 million of net sales from continuing operations for the comparative nine-month period of 2007, an increase of 8%. Consolidated net income increased by 20% during the first nine months of fiscal year 2008 to \$89.6 million compared to net income from continuing operations of \$74.9 million for the comparative period in 2007. Consolidated EBITDA for the nine months ended September 27, 2008 totaled \$271.9 million, an increase of 6%, compared to \$257.6 million for the comparative nine-month period of 2007. Consolidated Adjusted EBITDA totaled \$289.3 million for the nine months ended September 27, 2008, an increase of 11%, compared to Adjusted EBITDA from continuing operations of \$261.8 million for the comparative period in 2007.

Commenting on the third quarter performance, Marc Reisch, Chairman, President and Chief Executive Officer of Visant, said, "Throughout 2008 we have been very focused on cost reduction and containment efforts throughout Visant. By the end of the year, we will have completed four facility consolidations. The significant cost savings from these consolidations will provide important cushion in this difficult economic environment. We expect the fourth quarter to be difficult, and anticipate that Adjusted EBITDA will be down for the fourth quarter of 2008 versus the fourth quarter of 2007."

Net sales of the Scholastic segment increased \$1.8 million, or 4%, to \$45.8 million for the third quarter of 2008 from \$44.0 million for the third quarter of 2007. The increase was primarily attributable to higher volumes of specialty rings and prices in our jewelry products, partially offset by a shift in metal mix to lower priced metals.

Net sales of the Memory Book segment increased \$2.8 million, or 4%, to \$74.9 million for the third quarter of 2008 compared to \$72.1 million for the third quarter of 2007. The increase was due mainly to account growth, increased sales driven by new and enhanced product and service offerings and the acquisition of assets from Publishing Enterprises, Incorporated ("Publishing Enterprises") made during the fourth quarter of 2007.

Net sales of the Marketing and Publishing Services segment increased \$13.5 million, or 11%, to \$136.2 million for the third quarter of 2008 from \$122.7 million for the third quarter of 2007. This increase was primarily attributable to incremental volume from the Phoenix Color Corp. ("Phoenix Color") acquisition, the completion of which was announced on April 1, 2008. This increase was offset by lower volume in our educational book component and direct mail operations.

Adjusted EBITDA of the Scholastic segment improved to a loss of \$7.0 million for the third quarter of 2008 from a loss of \$9.0 million for the third quarter of 2007. The improvement was due to higher jewelry

product sales and continued focus on cost reduction efforts, partially offset by increased gold costs and a shift in metal mix in our jewelry products to lower priced metals.

Adjusted EBITDA for the Memory Book segment was \$20.3 million for the third quarter of 2008, an increase of 8%, compared to \$18.8 million for the prior year comparative period. The increase of \$1.5 million in Adjusted EBITDA was primarily the result of increased sales driven by new and enhanced products and strong operating performance.

Adjusted EBITDA of the Marketing and Publishing Services segment increased \$6.0 million, or 21%, to \$34.7 million during the third quarter of 2008 from \$28.7 million for the third quarter of 2007. The increase was primarily a result of the acquisition of Phoenix Color, partially offset by lower volume in our educational book component and direct mail operations.

For the nine months ended September 27, 2008, net sales for the Scholastic segment were \$328.5 million, an increase of 3%, compared to \$320.4 million for the prior year comparative period. The increase of \$8.1 million was primarily attributable to incremental volume driven by the acquisition of Neff Motivation, Inc., which occurred during the first quarter of 2007, and the impact of price increases for jewelry products, partially offset by lower jewelry product sales volume and an unfavorable shift in metal mix to lower priced metals.

Net sales for the Memory Book segment were \$367.0 million for the nine-month period ended September 27, 2008, an increase of 7%, compared to \$344.4 million for the comparative prior year period. The increase was primarily the result of account growth, increased sales driven by new and enhanced product and service offerings and the acquisition of the assets of Publishing Enterprises.

Net sales of the Marketing and Publishing Services segment increased \$45.3 million, or 14%, to \$377.0 million during the nine months ended September 27, 2008 from \$331.7 million for the comparative nine-month period in 2007. This increase was primarily attributable to sales generated by operations we acquired in 2008 and 2007, partially offset by lower volume in our educational book component and direct mail operations.

For the nine months ended September 27, 2008, the Scholastic segment reported Adjusted EBITDA of \$48.6 million, a decrease of \$3.9 million, compared to \$52.5 million for the prior year comparative period. This decrease was due primarily to an unfavorable shift in metal mix and higher gold costs in our jewelry operations.

Our Memory Book segment reported Adjusted EBITDA of \$147.4 million for the nine months ended September 27, 2008, an increase of \$14.4 million, compared to \$133.0 million for the comparative prior year period. The increase was primarily the result of sales growth and strong operating performance.

The Marketing and Publishing Services segment reported Adjusted EBITDA of \$93.3 million for the nine months ended September 27, 2008, an increase of \$17.0 million, compared to \$76.3 million during the first nine months of 2007. This increase was mainly the result of volume generated by the operations acquired in 2008 and 2007 and favorable product mix in our sampling operations. These increases were partially offset by lower sales in our direct marketing and educational book component operations.

As of September 27, 2008, Visant's consolidated debt, comprised of the outstanding indebtedness under its senior credit facilities and its senior subordinated notes, was \$943.4 million, including \$125.0 million of borrowings outstanding under its domestic revolving line of credit arising, in part, from Visant's purchase of Phoenix Color and \$1.9 million of borrowings outstanding under its Canadian revolving line of credit. Visant's cash position at September 27, 2008 totaled \$15.4 million. Visant's parent, Visant Holding Corp., had outstanding senior discount notes with an accreted value of \$243.2 million, senior notes of \$350.0 million and cash of \$6.5 million as of September 27, 2008.

Visant has provided a reconciliation of net income to EBITDA and Adjusted EBITDA in the accompanying summary of financial data.

Supplemental data has also been provided for Visant's three segments: Scholastic, Memory Book and Marketing and Publishing Services.

CONFERENCE CALL

The company's regular quarterly conference call concerning the third quarter results will be webcast live today at 10:00 a.m. Eastern Time on the Investor Information section of Visant's website at www.visant.net.

ABOUT OUR COMPANY

Visant is a leading marketing and publishing services enterprise servicing the school affinity, direct marketing, fragrance and cosmetics sampling, and educational and trade publishing segments.

The company has three reportable segments:

Scholastic — provides services in conjunction with the marketing, sale and production of class rings and an array of graduation products and other scholastic affinity products to students and administrators primarily in high schools, colleges and other post-secondary institutions;

Memory Book — provides services in conjunction with the publication, marketing, sale and production of school yearbooks, memory books and related products that help people tell their stories and chronicle important events; and

Marketing and Publishing Services — provides services in conjunction with the development, marketing, sale and production of multi-sensory and interactive advertising sampling systems, primarily for the fragrance, cosmetics and personal care segments, and provides innovative products and related services to the direct marketing sector. The group also produces book components primarily for the educational and trade publishing segments.

SAFE HARBOR STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

This release may contain "forward-looking statements." Forward-looking statements are based on our current expectations or forecasts of future events. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "may", "might", "will", "should", "estimate", "project", "plan", "anticipate", "expect", "intend", "outlook", "continue", "believe", or the negative thereof or other similar expressions that are intended to identify forward-looking statements and information. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors that could cause the actual results, performance or achievements of the company or industry results, to differ materially from historical results, any future results, performance or achievements expressed or implied by such forward-looking statements. These forward-looking statements are based on estimates and assumptions by our management that, although we believe are reasonable, are inherently uncertain and subject to a number of risks and uncertainties, and you should not place undue reliance on them. Such risks and uncertainties include, but are not limited to, the following: our substantial indebtedness; our inability to implement our business strategy and achieve anticipated cost savings in a timely and effective manner; competition from other companies; the seasonality of our businesses; the loss of significant customers or customer relationships; levels of customers' advertising spending, including as may be impacted by economic factors; fluctuations in raw material prices; our reliance on a limited number of suppliers; our reliance on numerous complex information systems; the reliance of our businesses on limited production facilities; the amount of capital expenditures required at our businesses; labor disturbances; environmental regulations; foreign currency fluctuations and foreign exchange rates; the outcome of litigation; our dependency on the sale of school textbooks; control by our stockholders; Jostens' reliance on independent sales representatives; the failure of our sampling systems to comply with U.S. postal regulations; changes in book buying habits; and the textbook adoption cycle and levels of government funding for education spending. These

factors could cause actual results to differ materially from historical results or those anticipated or predicted by the forward-looking statements. We caution that the foregoing list of important factors is not exclusive. Forward-looking statements speak only as of the date they are made and we undertake no obligation to update publicly or revise any of them in light of new information, future events or otherwise, except as required by law.

The following information contains financial measures other than in accordance with generally accepted accounting principles and should not be considered in isolation from or as a substitute for the company's historical consolidated financial statements. The company presents this information because management uses it to monitor and evaluate the company's ongoing operating results and trends, and the covenants in its debt agreements are tied to these measures. The company believes this information provides investors with an understanding of the company's operating performance over comparative periods.
